100% OF NRASTORE PROFITS GO DIRECTLY TO SUPPORT VITAL NRA PROGRAMS

# COME AND TAKE IT

From the Battle of Gonzales in 1835, to the Battle of San Juan Hill in 1898, to the current battle to preserve the Second Amendment, American Patriots have always resisted tyranny. Now, more than ever, NRA members need to stand tall. And wearing a t-shirt inspired by the original Gonzales battle flag sends precisely the right message, especially when flanked by a .30 caliber Model 1895 Gatling Gun that supported Lt. Colonel Theodore Roosevelt's attack on Spanish forces on San Juan Hill. Its ten barrels could be hand-cranked at a top rate of 700 rounds/minute.

# 5-IN-1 IS GREATER THAN 4-IN-1

Around the time of the American Revolution, this unusual four-barrel, .60 caliber flintlock was crafted by Henry Hadley, one of London's finest gunmakers. Capable of discharging all barrels simultaneously, this 4-in-1 firearm was highly prized by sea captains for its superior protection. More modern, yet similar protective requirements are fulfilled by our popular NRA Build-Your-Own 5-In-1 Buffalo Wallet. *(Courtesy National Firearms Museum)*
