STEEL TARGET HANGING STRAPS

There are many ways to suspend steel targets – chains, straps, bungee cords or even zip ties. These solutions can work fairly well, at least until an errant round hits them, causing ricochets and equipment damage. Our Steel Target Hanging Straps make those issues disappear! Heavy duty rubber belting provides stable support for steel, and it's able to absorb stray shots without skipping a beat.

DETAILS: Heavy duty, nylon reinforced industrial rubber belting. Oversized, and drilled through with five holes. Straps can be linked together. Set includes four straps and hanging hardware. Compatible with steel targets on our Long Distance Steel Target stand, or any other stand. Dimensions: 14.5"L x 2.25"W x 0.4"T. Targets and stand not included. Imported.
